- (a) Notwithstanding any other language or provision to the contrary in this Declaration, in the Articles of Incorporation, or in the Bylaws of the Association, Declarant hereby retains the right to appoint and remove any member of the Board of the Association and any officer or officers of the Association until 15 days after the first of the following events shall occur: (i) the expiration of twenty (20) years after the date of the recording of this Declaration (ii) the date upon which all of the Lots intended by Declarant to be a part of the Development have been conveyed by Declarant to be a part of the Development have been conveyed by Declarant to Owners other than a person or persons constituting Declarant; or (iii) the surrender by Declarant of the authority to appoint and remove directors and officers by an express amendment to this Declaration executed and recorded by Declarant.
- (b) Upon the expiration of the period of Declarant's right to appoint and remove directors and officers of the Association pursuant to the provisions of this Section, such right shall automatically pass to the Owners, including Declarant if Declarant then owns one or more Lots, and a special meeting of the Association shall be called at such time. ARTICLE V
ASSESSMENTS

Section 1. Covenant for Assessments and Creation of Lien and Personal Obligation. Each Owner of a Residence, jointly and severally, for himself, his heirs, distributees, legal representatives, successors and assigns, by acceptance of a deed for a Residence, whether or not the covenants contained herein shall be expressed in any such deed, hereby covenants and agrees as follows:

- (a) to timely pay to the Association the annual assessments which may or shall be levied by the Association pursuant to this Declaration against all Residences owned by him;**
- (b) to timely pay to the Association any special assessments for capital improvements and other charges which may or shall be levied by the Association pursuant to this Declaration against all Residences owned by him;**
- (c) that there is hereby created a continuing charge and lien upon all Residences owned by him against which all such assessments are made to secure payment of such assessments and any interest thereon and costs of collection including reasonable attorneys' fees;**
- (d) that such continuing charge and lien on such Residence binds such Residence in the hands of the then Owner, and the Owner's heirs, devisees, legal representatives, successors and assigns. Such charge and lien is superior to any and all charges, liens or encumbrances which may hereafter in any manner arise or be imposed upon such Lots whether arising from or imposed by judgement or decree or by any agreement, contract, mortgage, deed of trust or other instrument, except (i) such liens for taxes or other public charges as are by applicable law made superior, and (ii) all deeds to secure debt given to secure a loan the proceeds of which are used (1) to purchase a Residence or Residences (together with any and all Structures which may from time to time be placed or located thereon), and (2) to finance the construction repair or alteration of Structures. A person or entity acquiring a lien or encumbrance on a Residence after this Declaration is recorded shall acknowledge, by the act of filing an instrument creating such lien, that such lien or encumbrance is inferior to the continuing lien for the charge and lien provided herein, whether or not such acknowledgement is specifically stated in the instrument creating the lien or encumbrance, except as provided by Subsection (i) and (ii) above.**
- (e) that no sale or transfer at foreclosure or in lieu of foreclosure shall relieve any Residence from liability for any assessment thereafter assessed.**
- (f) that all annual, special and specific assessments (together with interest thereon and costs of collection including reasonable attorneys' fees) levied against any Residence owned by him during the period that he is an Owner shall be [in addition to being a continuing charge and lien against such Residence] a personal obligation which will survive any sale or transfer of the Residence owned by him, provided, however, that such personal obligation for delinquent assessments shall not pass to an Owner's successor in title unless expressly assumed by such successor, and**

- (g) failure to pay any assessment when due shall constitute a default of the Owner's obligations hereunder, and shall entitle the Association to exercise the remedies provided under the terms of this Declaration.

Section 2. Purpose of Assessment. The assessments levied by the Association shall be used exclusively for the purpose of providing for the common good and general welfare of the Residents of the Development, including but not limited to, security, the acquisition, construction, improvements, maintenance, insuring and equipping of Common Property, maintenance of private driveways or other improvements or landscaping which are designated by Declarant to be maintenance obligations of the Association, the enforcement of the Restrictions contained in this Declaration, the enforcement of the Design Standards of the ACC, the payment of operating costs and expenses of the Association including, without limitation, any ad valorem real and personal property taxes on any real and personal property owned by the Association, and the payment of all principal and interest when due on all debts owed by the Association.

Section 3. Accumulation of Funds Permitted. The Association shall not be obligated to spend in any calendar year all of the sums collected in such year by way of annual assessments or otherwise, and may carry forward, as surplus, any balances remaining, nor shall the Association be obligated to apply such surplus to the reduction of the amount of the Annual Assessments in any succeeding year, but may carry forward from year to year such surplus as the Board may deem to be desirable for the greater financial security of the Association and the effectuation of its purposes.

Section 4. Annual Assessment.

- (a) Beginning on the Commencement Date and continuing thereafter until January 1 of the year immediately following the Commencement Date, each Lot shall be subject to an Annual Assessment of Two Hundred Fifty and No/100 Dollars (\$250.00) per Residence, provided, however, in the event that the Commencement Date falls on a day other than January 1, the Annual Assessment for such year shall be prorated so that each Owner pays an Annual Assessment proportional to the number of days remaining in the calendar year. The words "Assessment Year" as used herein shall mean the calendar year, with the first Assessment Year commencing on January 1 of the year immediately following the Commencement Date. For so long as Declarant has the right to appoint and remove Directors and Officers of the Association, the Annual Assessment shall not be reduced below \$250.00 without the express written consent of Declarant.
- (b) Commencing with the first Assessment Year and continuing thereafter, the annual assessment may be increased at any time and from time to time during each Assessment Year by Declarant, provided, however, such increase shall not be more that twenty percent (20%) above the Annual Assessment for the previous Assessment Year without a vote of the Membership.
- (c) Commencing with the first Assessment Year and continuing thereafter, the Annual Assessment for each Assessment Year may at any time and from time to time be increased more than twenty percent (20%) above the maximum annual Assessment for the previous Assessment Year if such increase is approved by a two-thirds (2/3) vote of the Members of the Association who are present in

person or by proxy and voting at a meeting of Members duly held in accordance with the provisions of the Bylaws of the Association and this Declaration.

Section 4. Rights and Obligations.
