Board Meeting Minutes
May 4, 2020 7pm

Call to order/Attendance: Meeting called to order at 7 pm by Jimmie. In attendance, Jimmie Davis, Charlie Plumlee, Jerri Rinehart and Cyndi White

Old Business:

- Troy still waiting for poles so antennas can be moved.
- Element 8 will start installing test sites in the next couple of weeks.
- Drainage ditches. Homeowner's responsibility to call Tarrant County if their ditch is holding water.

New Business:

- Amy Cochran social committee chair is working on a movie night for the HOA. Michael Sheehan has the sound equipment and projector that the HOA purchased in his barn, so Amy will arrange to pick up from him. Still waiting to set final date and time for movie night.
- Amy also arranged for a food truck last month that did pretty well and is working on another food truck (tacos and margaritas) at dinner time. Board discussed the way it was communicated and it was decided and passed on to Amy to again post on Facebook, and also send the information on the food truck to GloboLink and in turn she will forward to the entire HOA.

Next Meeting: Jerri's House, June 1st, 2020 or by conference call. Motion to adjourn made by Charlie and seconded by Jerri. Meeting adjourned at 8:13 PM.
